MICRONESIA SERVICE ANNOUNCEMENT

Fuel Surcharge to Decrease – from 47% to 44% on September 25, 2011

Dear Valued Customer,

Horizon Lines of Guam will decrease its Fuel Adjustment Factor in the Micronesia trade by 3 percentage points, from 47% to 44%, effective Sunday September 25, 2011. The decrease has been published in the Horizon Lines of Guam tariff HECG 358. This tariff governs shipments moving between the continental U.S. and Micronesia.

Horizon Lines of Guam will continue to closely monitor fuel costs and will adjust the Fuel Surcharge as trends warrant.

We appreciate your continued support.

Sincerely,

Horizon Lines of Guam, LLC
