RE: Alaska Bunker Fuel Surcharge Adjustment
Effective Date: July 15, 2018
Current fuel surcharge: 46%
New fuel surcharge: 50%

To our valued customers:

Please note that bunker fuel surcharges have been adjusted by the steamship providers in this trade lane. As a domestic freight forwarder, Royal Global Express Inc. does not have an effect on how these surcharges are determined. Fuel surcharges are managed exclusively on behalf of the steamship lines. These surcharges are identified on our invoices and we openly publish their adjustments as provided. Please make the necessary adjustments in your system to reflect these changes.

We value and appreciate your loyalty and look forward to being of assistance to you in any manner we can. If you have questions, please contact us and we will be happy to help you. Copies of this notification and steamship notifications may also be found on our website at: <http://www.rpmcsi.com/press.php>

Thank you for your partnership!

Sincerely,
Royal Global Express Inc.
